

BADGER BULLETIN

Second Edition

October 2017

Wow! We have started the year fantastically. The children have shown an eagerness to learn and used their 'Level 4 Effort' to produce some amazing work. I am looking forward to some more fantastic learning this half term and some fun towards the end when we use our science knowledge to help Santa design new toys in his workshop!

HOMEWORK

Multiplication Facts

(5 minutes daily)

Spelling Practise

(5 minutes daily)

Reading *

(20 minutes daily)
