Children will receive Dojo Points for their commitment to homework: the more they do, the more points they will receive.

BAG PACKING CHECKLIST

Reading Book (Daily)

Spelling Book (Daily)

Water Bottle (Daily)

PE Kit (Tuesday and Wednesday).

Welcome to Kingfishers Class! I hope you all had a lovely summer and are looking forward to an exciting year ahead.

Our study for this half term is a science based topic on rocks, soils and fossils. During this study we will be identifying rock types and classifying rocks. We shall also be looking at how fossils are formed! Additionally, we shall be looking at the earth's layers and soils. We shall be carrying out experiments and tests to explore the differences between rocks. See the Knowledge Organiser for more information on this.

Our English work will be linked to our class book 'Elf Road' We will be writing our own portal stories as well as looking at non-chronological reports.

In Maths our work will be focused on place value, number and addition and subtraction as well as regular times table practice.

In P.S.H.E children will be learning about the benefits and dangers of drugs, including alcohol and tobacco.

P.E lessons will be on Tuesday and Wednesday afternoons.

If you have any questions please don't hesitate to contact me.

Mr Powell & Mrs Britton
