

Sports Premium Grant 2017-2018

Physical Education and school sports are incredibly important to us at Glemsford Primary Academy. The P.E and School Sport Premium Fund from the government has been greatly received and is vital to how we can progress further with our sports education. We plan to use the funds wisely to further the children's love of sports and to help them develop skills they will use for the rest of their lives. Within the school we have an action plan outlining how we wish to use the money, baseline data we are collecting and evidence to show the positive impact of the funding. To impact on the attainment and progress of pupils and offer sustained improvement in the provision of P.E and Sports at Glemsford, we plan to spend the money in the following areas.

How we plan to spend the money?
